10. hellebore Golden Lotus	\$25	20. viburnum Shasta	\$15
		21. kalmias assorted	TBA

A Note about Plants for Members

In the list on the previous page, the quantities of each cultivar are very limited. In most cases there are only 1 or 2 of each offered. These will be available on a 1st come 1st served based. Advance orders for P4Ms will be similarly distributed. The full list of cultivars likely to be available as P4Ms at the sale was distributed at the April 5 meeting.

A collection of additional P4Ms from the Perkins & Hinton collection may be available at the Annual Sale. These plants are currently in the Plastic Houses. Their current condition and suitability for distribution has yet to be evaluated. We hope that full information about this group of P4Ms will be available by April 15, 2009, and will be posted on the web site by April 17, 2009. The weather has a lot to do with our ability to view the plants.
