[Purple Leaf corydales](#)

[viburnum Shasta](#)

Some kalmias may be available.

Perennials and deciduous shrubs will be offered at various prices ranging from \$5 to \$25 depending upon rarity of the variety and size of the plant. For example the unusual coloured *hellebores* are likely to be at the upper price range. The deciduous shrubs are nice sized from about 2-3 feet tall by 2-3 feet in width.

Plants for Members

The following is a preliminary list of Plants for Members.

P4M's are priced at \$12 each or as listed.

Additional plants will be added once we have access to the plants in storage.

The 10% discount to members does not apply to these plants.

Click on a name to see photograph and/or description.
