

# Niagara Rhodo

*Newsletter of the Niagara Region Chapter*

*Rhododendron Society of Eastern Canada,  
District 12, American Rhododendron Society*

**Our Purpose:**

We are a non-profit organization whose aim is to promote, encourage and support interest in the genus rhododendron. Our goal is to encourage gardeners to grow and appreciate these plants, by providing educational meetings with knowledgeable speakers, access to topical publications and hosting joint meetings with other chapters.

***Special Edition - March 2021***  
**Zoom Meeting**  
**ANNUAL CHAPTER PLANT SALE**  
**March 14, 2:00 p.m.**

Kevin Kavanagh will once again guide our selections with his informed and entertaining descriptions of the plants in the sale. Kevin is a long standing Chapter Board member, landscaper, botanist, and owner of South Coast Gardens in St. Williams, ON.

A slide show will accompany Kevin's presentation; he will generously share his knowledge about the strengths, weaknesses, and preferred growing conditions of the cultivars, shrubs and perennials.

Q/A may be a little different in the virtual format; we can use Zoom Chat.
